YOUR CARD COLLECTION CONTINUES HERE!

With the cards in this issue and the previous two issues, you can play these two games:
Speed Puzzle and **Spot the Pair**.

SPOT THE PAIR

A game for 2, 3, or 4 players.

Object: To collect the most pairs of matching cards. A matching card features the character shown at the bottom of the other card.

How to play: Shuffle the cards and place them facedown in rows to make a large rectangle. The youngest player goes first by flipping over two cards. If the two cards are a matching pair, the player keeps the cards

and goes again. If the cards are not a match, they are turned back over in their original positions, and it is now the next player's turn. The game continues until all cards are collected.

And the winner is . . . the player with the most cards.

Tip: Pay attention to the cards the other players flip over!

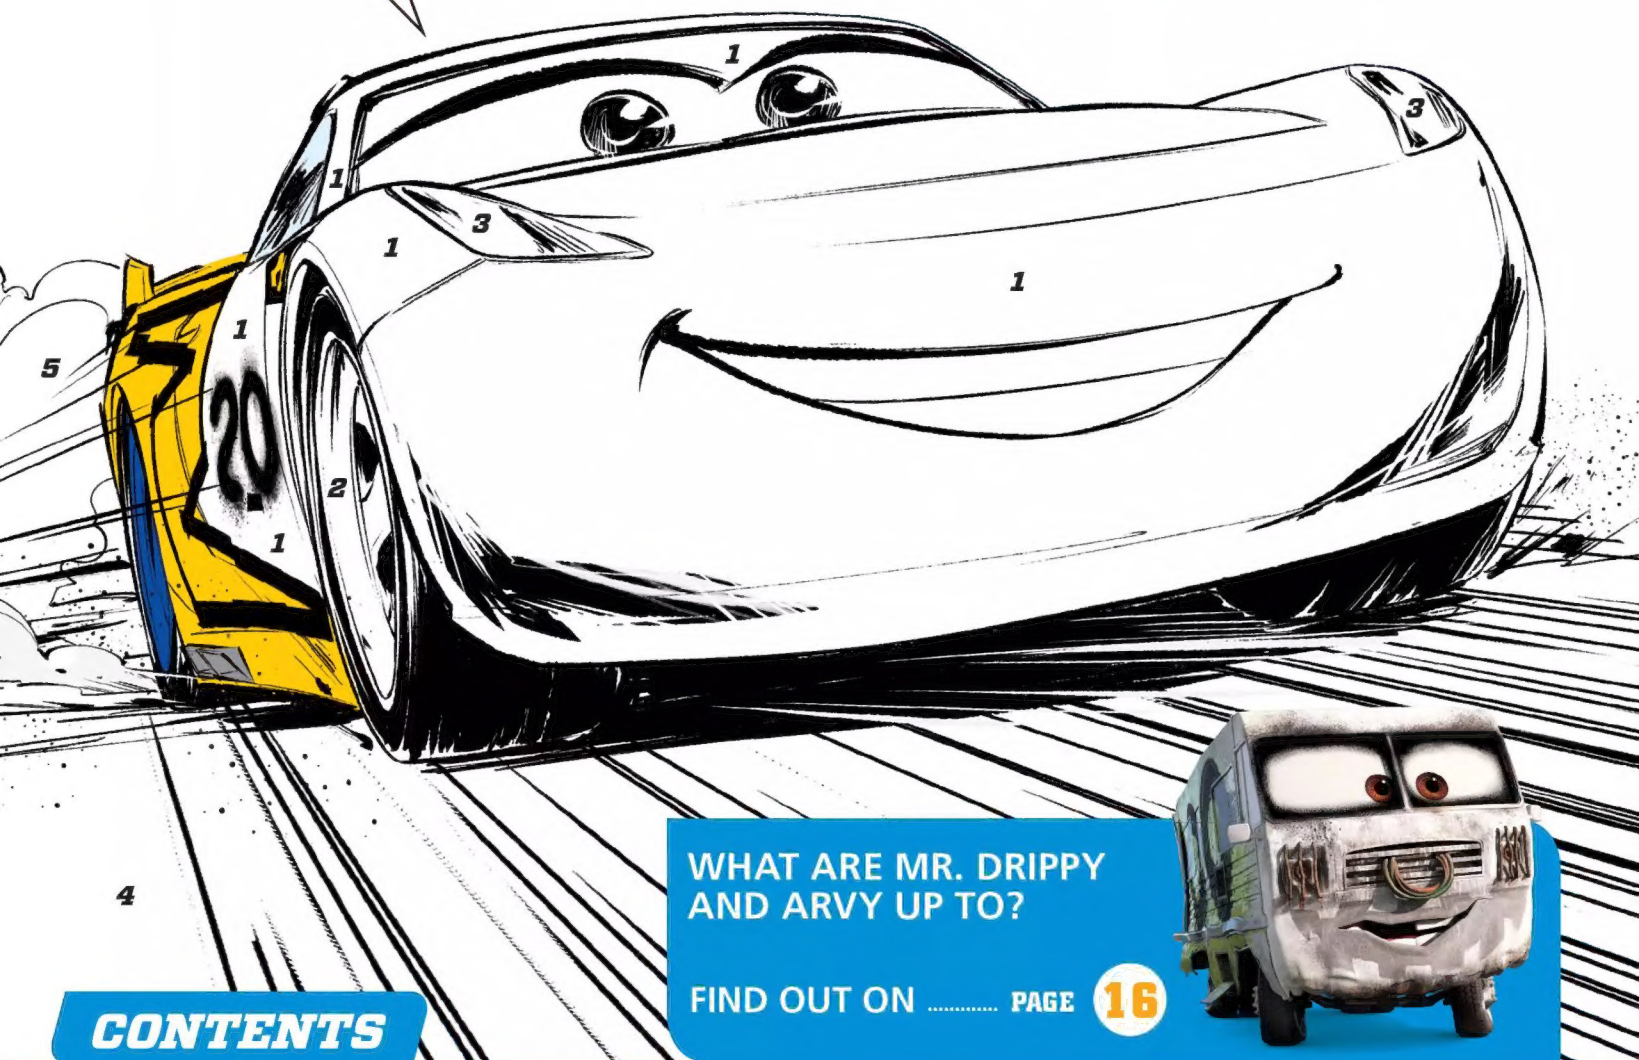

YOU'LL FIND THIS ISSUE'S 8 CARDS ON PAGE 35,
AS WELL AS THE RULES FOR THE **SPEED PUZZLE**.

MR. DRIPPY

MR. DRIPPY - WATER TRUCK

HOMETOWN: Thunder Hollow

SKILLS:

Service minded and loyal, and almost as important to Crazy Hollow as the actual racers themselves.

FEATURES: Heavy and steady with a huge tank of water for making mud, and more mud!

U.S.A.

#47

MISS FRITTER'S BIGGEST FAN

Mr. Drippy loves his action-filled job as official water truck at the Thunder Hollow racetrack, near the race stars and his favorite racer, Miss Fritter. But when Cruz and Lightning join the race, it gets even more exciting than usual.

DAMAGE CONTROL

The competition quickly gets out of control, and even though Mr. Drippy does his best to stay clear of any mishaps . . .

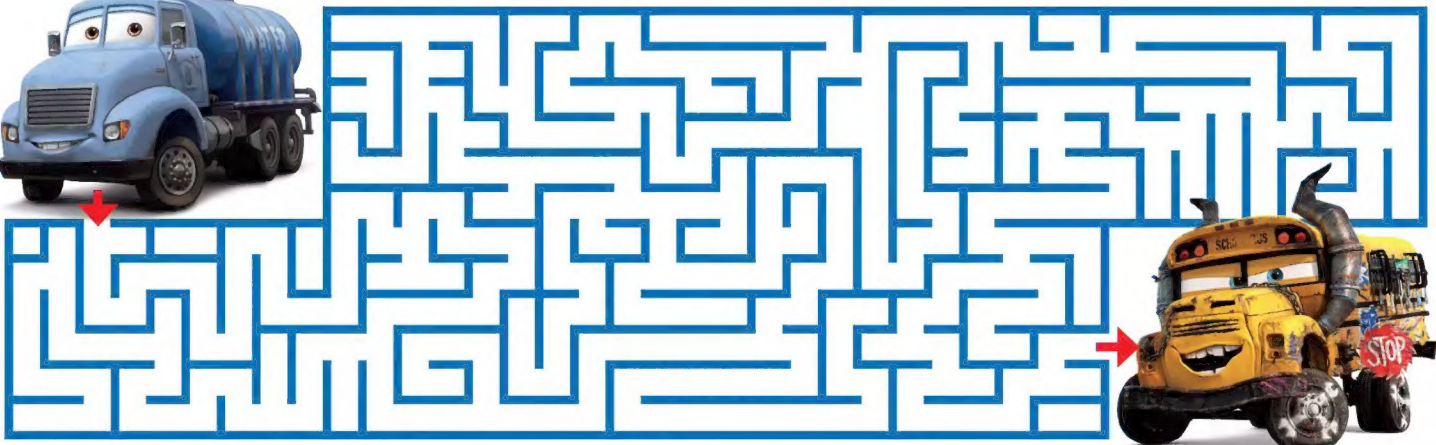

UNCOVERED

. . . the race ends with Mr. Drippy flipping over after accidentally splashing Chester Whipplefilter and revealing his true identity as Lightning McQueen!

BEST WAY

The demolition derby is over and Mr. Drippy is trying to get to the winner, Miss Fritter. Can you help him reach her?

TRAINING TIME

1 SHARP TURNS

Cruz is training. Her first task is to practice sharp turns. Help her by putting your pen at the starting point and, as fast as possible, trace to the finish without lifting the pen or touching the borders.

Cruz needs some refreshments and stops to fill up her tank. Color in and count the gas cans, then mark the correct number.

2 MECHANIC BREAK

Cruz also needs to practice quick pit stops, but Luigi can't find the lug wrench he needs to shift her tires. Can you find and circle it?

CRAZY COLORING

**FULL
THROTTLE**

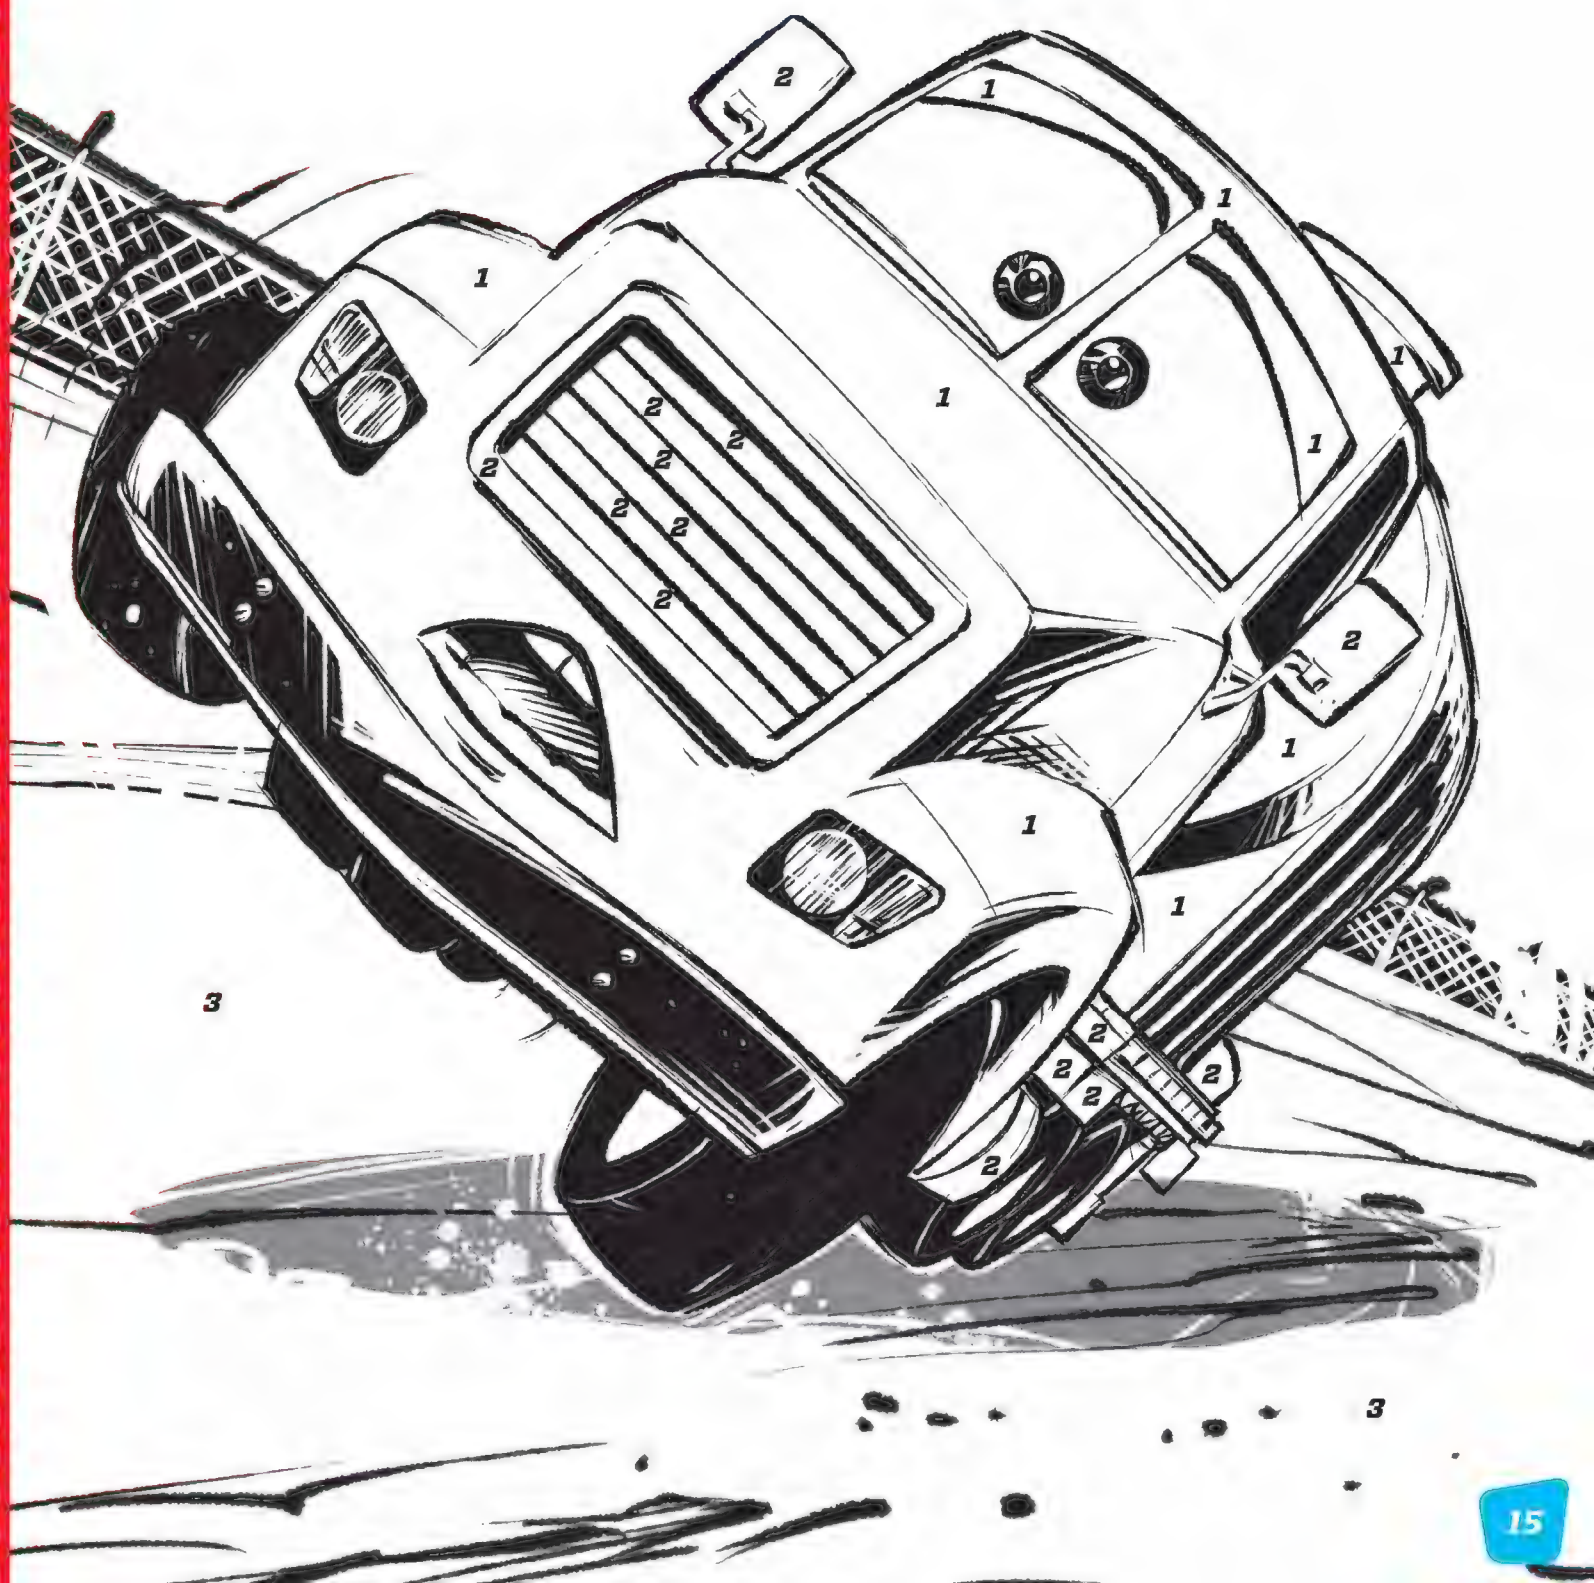

Miss Fritter is getting ready to scare her competitors off the Crazy Eight racetrack. She needs fierce colors! Look at the color key and get coloring!

FLIPPING OVER

Poor Mr. Drippy does his best to stay out of the way, but this time he ends up like most of Miss Fritter's opponents—flat in the dirt! Look at the numbers and give the image vibrant colors.

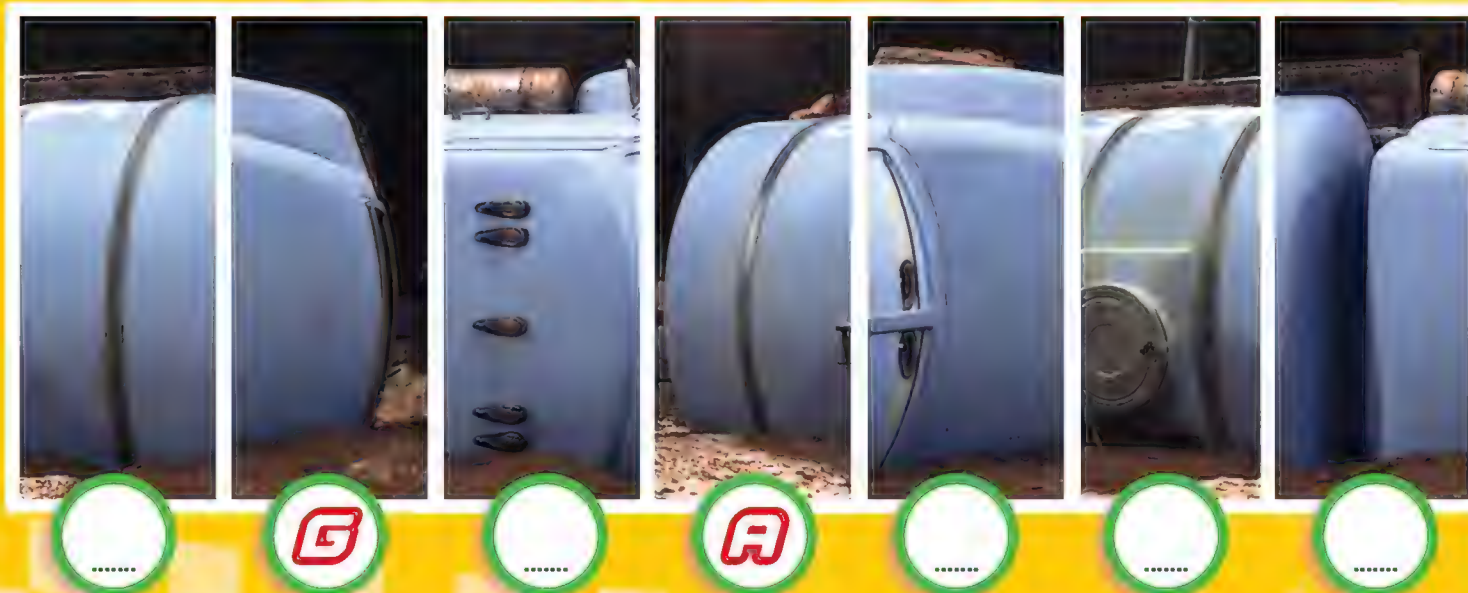

OL' CHAPS

1 BACK IN ONE PIECE

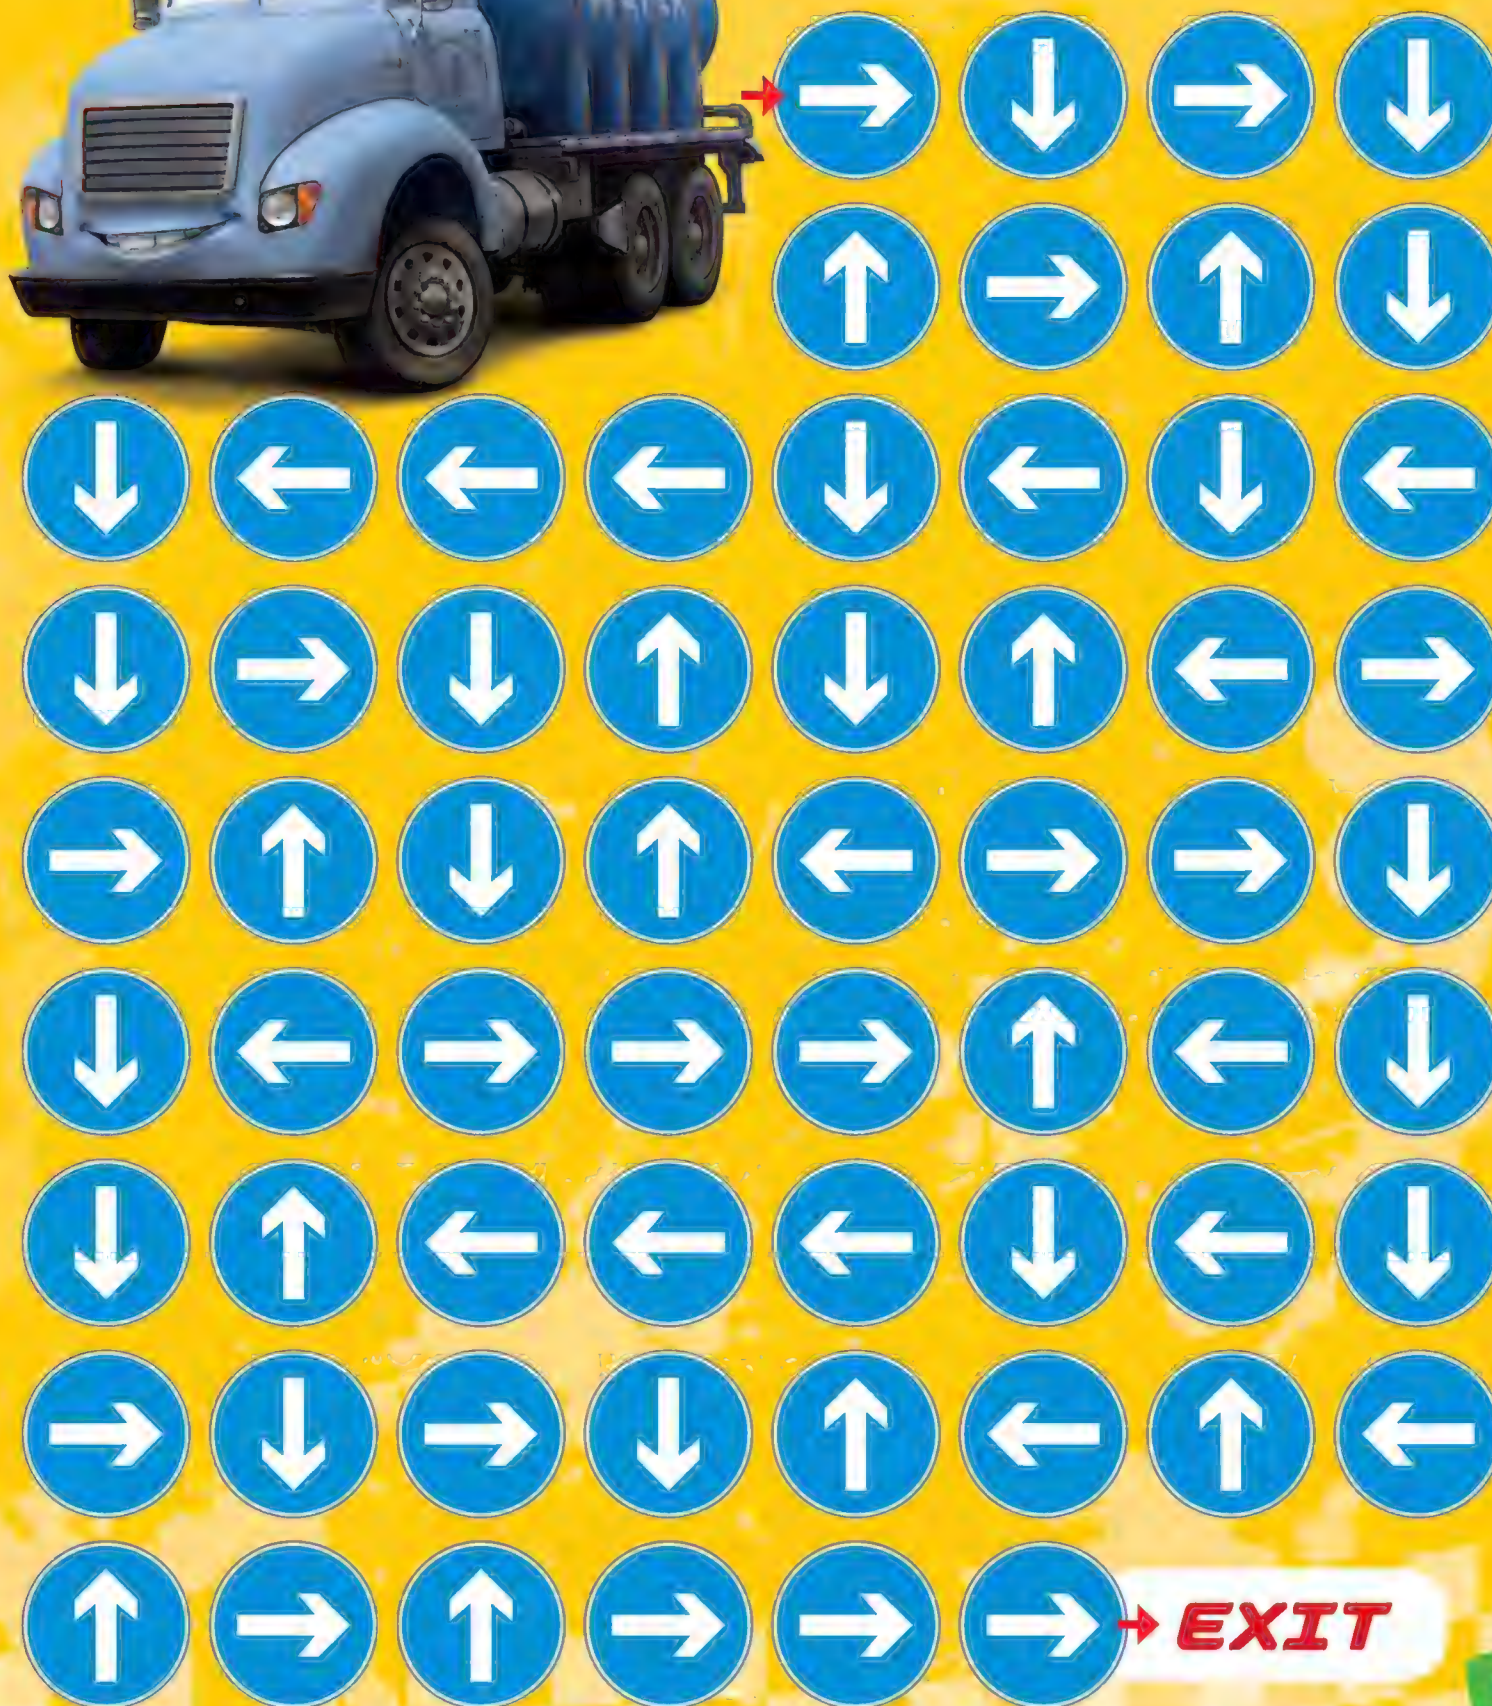

Mr. Drippy is feeling a bit torn apart after flipping over. Help Arvy put Mr. Drippy in the correct order by writing the correct letter under each section.

2 NIGHT DRIVING

Every Friday night, Mr. Drippy is on standby, ready to damp down a fire. The demolition derby is chaotic, but Mr. Drippy is an expert in navigating through crashed cars and burning tires. Find out if you are just as good. Look at the arrows below and let them guide you through the maze to get to the exit.

CARS MAGAZINE HOLDER

HI THERE!
THIS IS GOING TO BE
A LOT OF FUN!

YOU'LL NEED:

- Cereal box
- Wrapping paper in a color you like
- Scissors
- Glue
- Tape
- Marker

1

Cut off the flaps at the top of the box.

2

On the front, measure approximately 15 cm down on one side. Draw a line from this mark up to the top of the other side.

3

Carefully cut along the lines and repeat the cut on the back of the box.

4

Take the wrapping paper and wrap the box like a gift. Fasten the loose ends with tape on the bottom and on the insides of the box so the tape is not visible.

5

Carefully cut out the characters and the logo from page 29.

6

Glue Lightning and Mater onto each side of the holder, and the Cars logo onto the back.

7

Now you have a cool holder for all your *Cars* magazines!

NOTE! ALWAYS ASK AN ADULT FOR HELP WITH SCISSORS.

RACE DUEL

Sally is no professional racer, but she loves to race the champ, Lightning McQueen, to their favorite spot in the mountains—the old Wheel Well Motel. To see who wins this time, add their minutes. The one with the lower sum is the winner!

When Sally first took over the Cozy Cone Motel, there were hardly any guests. But she never gave up, and since Lightning helped put Radiator Springs back on the map, Cozy Cone is almost always fully booked. Can you recreate this postcard from when the town was sleepy and quiet?
